

“My teaching style is to give students chances to explore and learn new things in the way that makes the most sense to them. We are all on the same team, with the same goal: to create the best possible learning environment. I hope to learn as much from my students as I teach them!”

Stephanie Pauwels

Second Grade

Ms. Pauwels is new to St. Thomas in 2018. She has a BS in Elementary Education from Loyola University in Chicago and previously student taught at Washington School in Evanston, IL.

About the Students

“Second grade is such an exciting time of growth, and an exciting time in a person’s faith journey, with first communion and reconciliation.”

On St. Thomas of Villanova

“I am excited to teach in a place where I can share my faith surrounded by nice people and I can grow as a teacher.”
