

“All students can learn. I create an atmosphere where students can work at their own pace, while getting unconditional support from me and their fellow classmates.”

Kristen Wolf

6th - 8th Grade Math

Mrs. Wolf has been at St. Thomas since 2013. She has a BA in Elementary Education with a concentration in Mathematics from DePaul University and Master’s Degree in School Counseling from DePaul. She is a graduate of St. Viator High School and previously taught at St. Benedict Preparatory School in Chicago.

“All students can learn. I create an atmosphere where students can work at their own pace, while getting unconditional support from me and their fellow classmates. I am always available for questions, and know that all students need to be challenged.”

About the Students

“The middle school years are such a pivotal point of development academically, socially, and emotionally. I just enjoy being a positive part of that for my students!”

On St. Thomas of Villanova

“I came to St. Thomas because I love working at Catholic schools, and I thoroughly enjoy the sense of community here.”
