

## **Anne Fisher**

### **Preschool 3**

Mrs. Fisher has been teaching at St. Thomas of Villanova School since 2008. In August 2009, she began working in preschool on a permanent basis. Mrs. Fisher earned her Bachelor's degree from the University of Illinois at Champaign-Urbana.

#### **About the Students**

"There is so much to learn in three year old preschool! It is not just learning letters, numbers, shapes and colors. There is social-emotional learning - playing nicely with classmates, sharing and taking turns, managing feelings and using words to express feelings instead of using hands. It is learning to be independent and responsible and knowing that "I can do it!" It is my responsibility to guide the preschoolers in all these aspects of learning.

It is also my pleasure and joy to teach the preschoolers about God, Jesus, the Bible and the Catholic faith. I try to make the Bible stories come to life for the preschoolers. Preschoolers take turns leading our daily prayers.

***"I love watching the preschoolers play and learn. There is nothing like watching preschoolers explore their world or show kindness by sharing with a friend. Three year olds are so proud of their accomplishments and as a teacher, I am always their cheerleader."***

#### **Special Units and Projects**

- Halloween Trick-or-Treating
- Thanksgiving Feast
- Gingerbread Man Hunt
- Hunt for the Pot of Gold

#### **Field Trips**

- Pumpkin Farm

#### **Projects Related to Our Faith**

- Daily Prayers
