

Vikings Lego Club Information

2018/19

Meeting Time: 1:50pm - 2:45pm

Meeting dates: Second Friday of each month, after school.

October 12th - November 9th - December 14th

January 11th - February 8th - March 8th - April 12th

For Grades: 1st and up (Kindergarten admitted **with** parent)

Club Activities: Lego Club is a place for students to imagine and express their individual creativity through independent free build. Instruction for advanced building techniques and guidance will be available for those interested in furthering their building skills.

Lego Club T-Shirts: If your child already has or will be purchasing a Vikings Lego Club T-Shirt, he/she is eligible to wear it to school on the scheduled meeting dates. Your child may wear their T-shirt ALL DAY at school (along with their uniform pants/shorts/skirt. This is not considered an "out of uniform" day)!

NEEDED: Parent Volunteers! We **need committed volunteers** to assist in running the Lego Club! It is very difficult for a single parent volunteer to safely chaperone all of the Lego Club attendees. In order for Lego Club to run smoothly and be enjoyable for all, we need your help! Please contact Chris Phipson at 773-814-7968 or email at cphipson@blockstobricks.com and let him know which days you are available to help.

Rules: Each person in attendance is to be respectful to all others in attendance. There is **NO** running (including AFTER Lego Club when children are waiting for parents to pick up their children). There is **NO** touching of other member's creations (unless given permission to do so by the creator). If the rules cannot be followed, Mrs. Brinkman will be notified.

I give my child permission to participate in the St. Thomas of Villanova Vikings Lego Club for the 2018/19 school year.

Parent/guardian signature:

Viking Lego Club Enrollment Form 2018/19

Child's name: _____

Lego Club Member 2017/18? Yes No
