

# Dollar Shopping Power (DSP)

## Information and Instruction for 2018-19 School Year

### **DSP is fundraising while you shop**

Put your everyday shopping dollars to work. Earn money for STV School without spending anything additional. Gift cards are provided from local and national retailers (grocery, gasoline, clothing, restaurants, etc.) They are the same gift cards that are available in stores. Each card has a specified profit percentage (1% – 25%). You purchase the cards at face value, and STV receives the specified profit from each card sold. DSP gift cards are purchased online through our vendor, Great Lakes Scrip Co. *Note: For STV to get credit, use our Enrollment Code when creating an online account.*

### **CREATING AN ACCOUNT**

Go to [ShopWithScrip.com](http://ShopWithScrip.com) and click [Join a Program](#).
