

“I am lucky enough to teach all students in the school and like something different about each grade level. I love the excitement for physical education in the younger students and enjoy watching the growth in skills and development of the students through the years.”

Mark Sorrentino

Physical Education/Health

Mr. Sorrentino came to St. Thomas in 2015. He previously taught in Palatine District 15. He has a B.S. Ed in Physical Education (K-12) from Northern Illinois University. He coordinates the annual end-of-year Field Day and supervises at After School Care. He also teaches 7th grade religion.

About the Students

“All students learn differently, therefore I use a variety of teaching strategies to get the most out of all students.”

On St. Thomas of Villanova

“St. Thomas is a tight-knit, faith based community that strives for academic excellence. Staff and students make it an enjoyable and satisfying experience for all who enter the school.”
