From the desk of the principal...

We are working on our scarecrow for the “Scarecrow on Parade” in downtown Palatine. Our Viking Scarecrow has a ship this year. Check it out after the 16th!

What a night was had by all at the Faculty vs 8th Grader Volleyball game yesterday. Who knew there were Olympic quality athletes on the staff? We can't wait for next year...which will give us some time to recruit.

We will continue to conduct school safety drills at school. Ask your child about them!

Parents, please continue to provide a quiet time and space for your child to work on homework. This time can provide the parent with an insight as to your child's strengths and weaknesses, and open communication between child, parent, and teacher. Now that we are settled into the school year, study habits should be reinforced.

How are our awesome alumnae doing? Send us alum news and we will spread the word. It is always wonderful to hear about all the fantastic endeavors and accomplishments our students go on to achieve.

Finally, please remember that the principal's door is always open! We are here to help!

As Catholics, we are called to help others in big ways and in small ways. Though pop tabs are small, they can make a BIG, positive impact! The pop tabs that we collect will be recycled and the money will benefit the Ronald McDonald House. Please bring in your pop tabs and spread the word! For more information on the services provided by the Ronald McDonald House, please visit RonaldHouseChicago.org.
