

Janice Pellettiere

Teacher's Aide

Mrs. Pellettiere has been at St. Thomas of Villanova School since the fall of 2017. She started as the Preschool Aide for our split 3- and 4-year-old room and in the fall of 2018, became our Kindergarten Aide. She has been a parishioner for over 40 years. Her oldest son attended St. Thomas, and even after moving out of the area, her family continued as parishioners. Her two grandsons currently attend the school. She volunteers in many areas of the school and is taking Early Childhood Education coursework.

About the Students

"I find it fascinating to follow the development of these little ones throughout the school year. Starting out working in Preschool was a valuable experience to help understand the amazing transition the children must go through to be successful in Kindergarten. Ms. Falkenberg and I present a fun learning environment dedicated to helping each and every one of them grow and reach their full potential with love and support. "

Janice Loster

She earned an Associate Degree at William Rainey Harper College and a Bachelor's Degree and Master's in Education from Roosevelt University.

About the Students

"I love working with the children and their art projects. I also help with assessments. They are very creative! I have learned so much from them. I'm not only impressed with all of the students at St. Thomas but I'm also impressed with all of the talented and dedicated teachers. They are a blessing to our school".
