

MEGHAN FALKENBERG

Kindergarten • Marketing Director

About Me:

I am Meghan Falkenberg and have been teaching at STV since the Fall of 2017. I earned my Bachelor's of Science in Education through Indiana University. I have quite the passion for teaching and find the greatest joy in watching my students grow and develop as individuals. My teaching style is primarily centered around classroom engagement. It is so important that I get to know my students on a personal level to see what sparks their interest and complements each unique personality. With an inclusive, approachable style of teaching, I am able to cater to a diverse range of student learning styles and needs.

Religion:

Beginning our day with a morning prayer is a special tradition. My students learn that they can pray and talk to God about anything! Attending weekly mass and getting to be on the altar singing and speaking in front of the entire school is such a gift that instills confidence within my students. Throughout the year, my students grow in faith and develop personal relationships with God. We learn that we are all God's children, despite our differences. We practice kindness, acceptance and love.

Special Units & Projects:

- Superkids Reading Program
