

ANNE FISHER

Preschool 3

About Me:

I earned a Bachelor of Science from the University of Illinois Champaign-Urbana. I began substitute teaching at STV in November 2008. In August 2009, I began working in Preschool on a permanent basis until June 2021. I returned to St. Thomas in August, 2023.

Religion:

Three year old Preschoolers learn about God, Jesus, Mary, church, prayers, the Bible, and our Catholic faith. We have weekly lessons and Bible stories. Religion lessons are interactive. At Christmas, Preschoolers reenact the Nativity story. During Holy Week, they participate in a Last Supper and use Resurrection Eggs to help tell the Easter story. The preschoolers take turns leading our daily prayers.

Special Units & Projects:

- Apple tasting
- Making butter during Farm week
- Live butterfly life cycle
- Halloween parade
- Can we catch the Gingerbread Man?
- Hunt for the Leprechaun and his Pot of Gold
- Easter Egg Hunt

Field Trips:

- Pumpkin
- Farm or Apple Orchard

About St. Thomas of Villanova School:

My family are parishioners of St. Thomas of Villanova and my daughter is a graduate of the school. I have always felt the loving, family atmosphere of the school. I see the love that the teachers have for each student in the school and I see their dedication to provide the students with a high quality academic and faith based education.
