

MARIA MATUK

Spanish

About Me:

I studied Computer Engineering and I have been a Spanish teacher for almost 10 years! I used to live in Arizona before moving to Illinois in 2007. I started at STV in the fall of 2021. I believe that learning another language expands people's horizons.

Religion:

It is important that children not only succeed academically but as a spiritual person rooted in catholic values.

Special Units & Projects:

- September: Hispanic month (7th grade)
- November: Day of the Dead (6th grade)
- School year: Reading short books (8th grade)

About St. Thomas of Villanova School:

STV is a community of parents, teachers, administrators and the parish.
