

BECKY RADY

Preschool 4 Aide

About Me:

I have a Bachelor of Science degree from the University of Wisconsin - Eau Claire. I worked in Corporate Wellness before beginning a career in Early Childhood Education in 2011. I began working at STV in 2021.

Special Units & Projects:

- Process based art
- Building magnetic robots
- Pumpkin drop
- Depending on the current unit, our Story Center becomes an Apple orchard, a grocery store, a flower shop, or a dinosaur dig!

About St. Thomas of Villanova School:

Being involved at STV as a student, family, volunteer or staff means being a part of a community. Students are given the opportunity to build a strong, faith-based education to help them succeed in high school and beyond.
