

ANGIE VALIS

Grade 4

About Me:

My name is Angie Valis and this is my third year teaching 4th grade. I began teaching Computer and Resource in 1998 for grades K-8, across the way in what is now the KALL center for Resource. I received my Bachelor in Arts from Roosevelt University and my Learning Disabilities endorsement from National Louis University.

In my spare time, I enjoy attending sporting events with my husband, traveling, cooking and spending time with family and friends. We own a Mini Schnauzer named Jack and he is fourteen years old.

Religion:

PS4 buddies at weekly Mass, Advent, Lent, Ten Commandments, Beatitudes, and first year with Bibles

Special Units & Projects:

Rocks and minerals unit and project, US states and capitals unit and project, Illinois and Springfield unit

Field Trips:

- In November we are attending a play in Elgin with 3rd graders.
- Alternate Springfield, IL and Chicago, IL trips in the spring with 5th grade. (Springfield is this year)

About St. Thomas of Villanova School:

We are a smaller yet strong Catholic faith-based school community with great parental support and close-knit relationships.
